03. Collaborations with Libraries, Archives and Museums in the Country

- i. The National Library of Sri Lanka is the only governmental body in the field of Library & Information Science which has legal power of advising the government regarding issues in the sector. According to the National Library and Documentation Services Board Act (NLDSB 1998) one of the functions of the National Library of Sri Lanka is “to promote, advise and assist in, the establishment, development and maintenance of library and documentation networks’, including networks of public, school, academic, government and other libraries and documentation centers serving all sections of the communities in Sri Lanka”. Therefore, the National Library has a major responsibility of development of all types of libraries in the country.

Library system of Sri Lanka can be divided to 04 categories.

- (A) Academic Libraries
- (B) Public Libraries
- (C) Special Libraries
- (D) School Libraries

The National Library organizes workshops and training programmes for Public and School libraries by both physical and zoom in the year 2023.

- ii. National Library of Sri Lanka gets a copy of the legal deposit from the National Archives of Sri Lanka under the Legal Deposit Law.

- iii. The National Library of Sri Lanka Collaboration with National Institute of Library and Information Sciences (NILIS), Sri Lanka Library Association and The Asia Foundation of Sri Lanka. The National Library of Sri Lanka (NLSL) could keep closer contact with these institutions in upgrading the contribution made by those institutions. The above organizations provide a formal education programmes in librarianship while the National Library of Sri Lanka generally conduct programmes related to Continuing Professional Development (CPD) of libraries. The NL conducts CPD programmes like workshops, seminars and conferences, lectures and in house training programmes.
- iv. Libraries Automation Programme is conducting with 18 libraries in Northern, North-Central, and Uva provinces under United Nations Development Programme

04. International Collaborations such as Formal Arrangements for Cooperation with National Libraries

The National Library of Sri Lanka is the only institution that represents various international forums in the subject. It has power to make International Cooperation with external communities. The National Library of Sri Lanka maintains a good relationship with following institutional associations and organizations.
